India****War as a means of easing tensions: Less than 1 in 5 (16%) support war as a means to decide the prevailing tensions with India.
(GALLUP & GILANI PAKISTAN POLL)**

Islamabad, March 25, 2019

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan on the issue of India-Pakistan relations post Pulwama Attack (full report available at <http://gallup.com.pk/pakistani-opinion-remains-calm-and-unprovoked-during-threat-of-war-with-india/>), less than 1 in 5 (16%) support war as a means to decide the prevailing tensions with India.

A nationally representative sample of men and women from across the four provinces was asked, “Different people have different views. Please tell which of the following is the closest to what you think the most: war will be the best way to decide, war is not a good thing and should not happen or leaving it would be better?” In response to this question, 16% said war will be the best way to decide, 62% believe war is not a good thing and it should not happen and 21% said leaving the matter would be better. 1% did not know or did not wish to respond.

Question: “Different people have different views. Please tell which of the following is the closest to what you think the most: war will be the best way to decide, war is not a good thing and should not happen or leaving it would be better?”
