Over 3 in 5 (61%) Pakistanis agree that global warming is a serious threat to mankind (Gallup & Gilani Pakistan Poll)

Islamabad, 28 January, 2020

According to a Gilani Research Foundation Survey carried out by Gallup & Gilani Pakistan, 61% Pakistanis agree that global warming is a serious threat to mankind.

A representative sample of men and women from across the four provinces was asked, “Do you agree or disagree that *global warming* is a serious threat to mankind?” In response, 61% agreed saying that global warming is a serious threat to mankind, 27% believed that that global warming is not a serious threat to mankind and 12% do not know/did not wish to respond.

Urban/Rural Breakdown:

Out of the total urban respondents, 66% believed that global warming is a serious threat to mankind, 25% believed it is not a serious threat to mankind and 9% did not know/did not respond.

Out of total rural respondents, a lower 59% believed that global warming is a serious threat for mankind, 29% believed it is not a serious threat to mankind and 12% did not know/did not respond.

Question: “Do you agree or disagree that global warming is a serious threat to mankind?”
