Nearly 6 in 10 Pakistanis claim that they would never encourage others to take action about political issues: World Values Survey and Gallup & Gilani Pakistan

(Islamabad), January 27, 2021

According to a World Values Survey conducted in 2018 by Gallup & Gilani Pakistan, 59% Pakistanis claim that they would never encourage others to take action about political issues.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, “Please, tell me if you have ever encouraged others to take action about political issues, whether you might do it or would never under any circumstances do it?” In response to this question, 10% said ‘have done’, 20% said ‘might do’, 59% said ‘would never do’. 11% did not know/did not respond.

Question: “Please tell me if you have ever encouraged others to take action about political issues, whether you might do it or would never under any circumstances do it?”
