4 in 10 Pakistanis say that gas load shedding is a very big issue in their area: Gallup & Gilani Pakistan

(Islamabad), March 2, 2021

According to a survey conducted by Gallup & Gilani Pakistan, 41% Pakistanis say that gas load shedding is a very big issue in their area.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, “*In your area, how extreme is the issue of gas load shedding?*” In response to this question, 41% said ‘Very much’, 17% said ‘Somewhat’, 25% said ‘Not at all’. 17% did not know/did not respond.

Question: “In your area, how extreme is the issue of gas load shedding?”

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1,080 men and women in urban and rural areas of all four provinces of the country, during December 24, 2020 – January 15, 2021. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was phone interviews. Respondents hailed from over 100 districts of Pakistan.
