More than half Pakistanis say that coronavirus has had a huge negative impact on Pakistan's economy: Gallup & Gilani Pakistan

(Islamabad), March 8, 2021

According to a survey conducted by Gallup & Gilani Pakistan, 55% Pakistanis think that the coronavirus has had a huge negative impact on the economy of Pakistan

A nationally representative sample of adult men and women from across the four provinces was asked the following question, *"Please tell, in your opinion, how much negative impact has coronavirus had on the economy of Pakistan? A lot, somewhat, very less or none at all?"* In response to this question, 55% said 'A lot', 22% said 'Somewhat', 12% said 'Very less', 4% said 'None at all'. 7% did not know/did not respond.

Question: "Please tell, in your opinion, how much negative impact has coronavirus had on the economy of Pakistan? A lot, somewhat, very less or none at all?"

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1,503 men and women in urban and rural areas of all four provinces of the country, during February 6, 2021 – February 27, 2021. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was phone interviews. Respondents hailed from over 100 districts of Pakistan.
