87 % of Pakistanis agree that the country needs a strong leader in order to take back and be free from rich and powerful people: Gallup & Gilani Pakistan

(Islamabad), September 20, 2021

According to a survey conducted by Gallup & Gilani Pakistan, 87% of Pakistanis agree that the country needs a strong leader in order to take back and be free from rich and powerful people.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, “Please indicate to what extent you agree or disagree with the following statement? - To take back and be free from rich and powerful people, the country needs a strong leader” In response to this question, 71% said they completely agreed, 16% somewhat agreed, 4% somewhat disagreed and 3% completely disagreed. 4% did not know and 2% did not respond.

Question: “Please indicate to what extent you agree or disagree with the following statement? - To take back and be free from rich and powerful people, the country needs a strong leader”

Urban-Rural Breakdown

Urban and rural Pakistanis are both almost equally likely to agree with the idea that the country needs a strong leader in order to take back from the rich and powerful.

Rural/Urban Breakdown

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1418 men and women in urban and rural areas of all four provinces of the country, during August 13, 2021 – September 05, 2021. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was CATI.
