Opinion Poll Miscellaneous

54 % of Pakistanis believe that if immigration is stopped, then the country will become stronger: Gallup & Gilani Pakistan

(Islamabad), September 21, 2021

According to a survey conducted by Gallup & Gilani Pakistan, 54% of Pakistanis believe that if immigration is stopped, then the country will become stronger.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, *“Please indicate to what extent you agree or disagree with the following statement? - If immigration (going from one country to another) is stopped, then the country will become stronger”* In response to this question, 34% said they completely agreed, 20% somewhat agreed, 8% somewhat disagreed and 26% completely disagreed. 9% did not know and 3% did not respond.

Question: “Please indicate to what extent you agree or disagree with the following statement? - If immigration (going from one country to another) is stopped, then the country will become stronger”

Urban-Rural Breakdown

Slightly more Pakistanis from rural areas (55%) believe that the country would be stronger if immigration is prevented as compared to urban areas (53%).

Rural/Urban Breakdown

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1418 men and women in urban and rural areas of all four provinces of the country, during August 13, 2021 – September 05, 2021. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was CATI.
