Nearly 3 in 4 (73%) Pakistanis hold the opinion that the partition of the subcontinent was a good step for relationships between Muslims and Hindus: Gallup & Gilani Pakistan

(Islamabad), November 12, 2021

According to a survey conducted by Gallup & Gilani Pakistan, nearly 3 in 4 (73%) Pakistanis hold the opinion that the partition of the subcontinent was a good step for relationships between Muslims and Hindus.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, “Do you think the partition of the subcontinent was a good step for relationships between Muslims and Hindus?” In response to this question, 73% said it was a good step, 12% said it was a bad step while 6% said it was neither good nor bad. 9% did not know or provided no response.

Question: “Do you think the partition of the subcontinent was a good step for relationships between Muslims and Hindus?”
