AMONGST THOSE WHO EXPERIENCED GAS LOAD SHEDDING, NEARLY 50% HAD NO GAS FOR MORE THAN HALF OF THE DAY: GALLUP & GILANI PAKISTAN

گزشتہ کل گیس کی لوڈشیڈنگ کا سامنا کرنے والوں میں سے، تقریباً 50% جوابدہندگان کو آدھے دن سے زائد گیس کی لوڈشیڈنگ کا سامنا کرنا پڑا

Question: "What was the duration of gas load-shedding in your area yesterday?"

Opinion Poll Energy

Amongst those who experienced gas load shedding, nearly 50 % had no gas for more than half of the day: Gallup & Gilani Pakistan

In our yesterday's release available [here](#), 50% Pakistanis claimed that they had experienced gas load-shedding the previous day, with the response being more common in urban areas.

(Islamabad), February 2, 2022

According to a survey conducted by Gallup & Gilani Pakistan, among those who experienced gas load shedding the previous day, nearly 50% had no gas for more than half of the day.

A nationally representative sample of adult men and women from across the four provinces was asked the following question, "What was the duration of gas load-shedding in your area yesterday?" In response to this question, 8% said 1-2 hours, 22% said 3-5 hours, 12% said 6-8 hours, 25% said 9-12 hours, 21% said more than 12 hours, 10% didn't know and 3% gave no response.

Question: "What was the duration of gas load-shedding in your area yesterday?"
