PRESS RELEASE (Also emailed*/faxed separately)

Opinion Poll

General

More than half (51%) Pakistanis report knowing someone who has been unemployed for more than 2 years: Gallup & Gilani Pakistan

(Islamabad), May 31, 2022

According to a survey conducted by Gallup & Gilani Pakistan, more than half (51%) Pakistanis report knowing someone who has been unemployed for more than 2 years.

A nationally representative sample of adult men and women from across the capital was asked the following question, *"How long has that (unemployed) person been looking for a job?"* In response to this question, 16% said less than a year, 29% said 1 to 2 years, 51% said more than 2 years and 4% didn't know or gave no response.

Question: "How long has that (unemployed) person been looking for a job?"

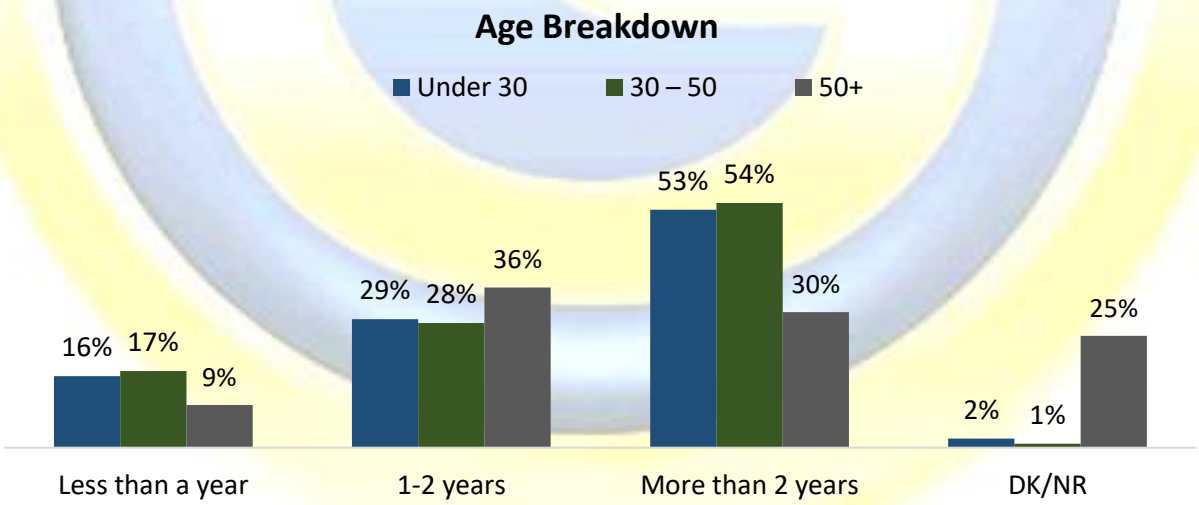
Age Breakdown

More than half (54%) of the respondents in the age bracket of 30 to 50 years report knowing someone who has been unemployed for more than 2 years.



The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1103 men and women in urban and rural areas of all four provinces of the country, from March 15, 2022 - March 23, 2022. The error margin is estimated to be approximately ± 2-3 percent at the 95% confidence level. The methodology used for data collection was CATI.
