A higher proportion of Pakistanis perceive the United States (33 %) to be more powerful than Russia (15 %): Gallup & Gilani Pakistan

(Islamabad), June 13, 2022

According to a survey conducted by Gallup & Gilani Pakistan, a higher proportion of Pakistanis perceive the United States (33%) to be more powerful than Russia (15%).

A nationally representative sample of adult men and women from across the four provinces was asked the following question, “Which country do you think is more powerful, the United States or Russia?” In response to this, 33% said the United States, 15% said Russia, 22% said both are powerful, 28% said don’t know and 2% gave no response.

Rural-Urban Breakdown

More people in rural areas (35%) compared to urban areas (31%) think the United States to be a powerful country.

The study was released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1103 men and women in urban and rural areas of all four provinces of the country, from March 15, 2022 - March 23, 2022. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was CATI.
