GILANI RESEARCH
FOUNDATION

Gilani Research Foundation is a not-for-profit public service project to provide social science research to students, academia, policymakers, and concerned citizens in Pakistan and across the globe.

Gilani Research Foundation is headed by Dr. Ijaz Shafi Gilani who pioneered the field of opinion polling in Pakistan and established Gallup Pakistan in 1980. Currently, Dr. Gilani, who holds a Ph.D. from the Massachusetts Institute of Technology (MIT) and has taught at leading universities in Pakistan and abroad, is Chairman of Gallup Pakistan.

Davaam Life is an environmental services company offering innovative tech-based retail solutions to FMCGs to cut down single use plastic waste and reduce costs to consumers. Davaam Life has developed refill and dispensing stations that allow consumers to reuse their existing packaging, refill and just pay for the product rather than packaging, branding and other retail costs.
