Opinion Poll General

One-third (35%) Pakistanis believe that the performance of the Election Commission has been good over the past year: Gallup & Gilani Pakistan

(Islamabad), July 6, 2022

According to a survey conducted by Gallup & Gilani Pakistan, One-third (35%) Pakistanis believe that the performance of the Election Commission has been over the past year.

A nationally representative sample of adult men and women from across the country was asked the following question, “I will name a few institutions. Please state your opinion on the performance of these institutions in the last year. Rate each institution's performance from very good, good, bad, to very bad. - Election Commission?” In response to this question, 16% said very good, 19% said good, 20% said moderate, 13% said bad, 7% said very bad and 25% said don't know or gave no response.

Question: “I will name a few institutions. Please state your opinion on the performance of these institutions in the last year. Rate each institution's performance from very good, good, bad, to very bad.- Election Commission”
