32% of Karachi's population believes that administrative issues pertaining to cleanliness are the biggest issue that their city is facing: Gallup & Gilani Pakistan

(Islamabad), September 15th, 2022

According to a survey conducted by Gallup & Gilani Pakistan, 32% of Karachi's population said that administrative issues pertaining to cleanliness are the biggest issue that their city is facing.

A representative sample of adult men and women from Karachi was asked the following question, *"What do you think is the biggest issue that Karachi is facing?"* In response to this question, 32% said 'Administrative issues pertaining to cleanliness,' 23% said 'Inflation,' 13% responded 'Unavailability of drinking water,' 8% said 'Unemployment,' 7% said 'All problems,' 4% responded 'Others,' 2% said 'Loadshedding of electricity' and 'Issues of law and order' while 1% of the people responded, 'Sewage Issue,' 'Broken or damaged roads,' and 'Transportation problems.' Looking across the age groups, it was found that 27% of people aged 18-23 think that inflation is the biggest issue as compared to 23% of those aged 50+, while both the age groups had the same views on administrative issues, with 30% saying that the feel that is the biggest issue.

Question: "What do you think is the biggest issue that Karachi is facing?"
