3 out of 5 (61%) Pakistanis believe they have a better life than their parents: Gallup & Gilani Pakistan

(Islamabad), July 05th, 2023

According to a survey conducted by Gallup & Gilani Pakistan, 61% Pakistanis believe they have a better life than their parents.

A nationally representative sample of adult men and women from across the country, was asked the question “Do you feel that overall, you have a better, a worse or roughly similar life to that of your parents?” In response, 61% said they have a better life, 31% said they have a worse life, and 8% said they have roughly the same life.

Question: “Do you feel that overall, you have a better, a worse or roughly similar life to that of your parents?”
