Opinion Poll Marital Status

32% Pakistanis migrated after marriage, while 67% still reside in the same city/district as before: Gallup & Gilani Pakistan

(Islamabad), August 23rd, 2023

According to a survey conducted by Gallup & Gilani Pakistan, 32% Pakistanis migrated after marriage, while 67% still reside in the same city/district as before.

A nationally representative sample of married adult men and women from across the country, was asked the question “Please tell me, do you still reside in the same city/district where you resided at the time of your marriage?” In response, 67% said yes, in the same city/district, 32% said no, in a different city/district, and 1% gave no response.

This press release is part of a detailed report Gallup Pakistan is doing on Marriages in Pakistan and choices involved in that decision. The report would be accessible on Gallup website www.gallup.com.pk.

Question: “Please tell me, do you still reside in the same city/district where you resided at the time of your marriage?”

■ Yes, in the same city/district ■ No, in a different city/district ■ No response

The study in Pakistan was conducted and released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 929 men and women in urban and rural areas of all four provinces of the country, conducted during 07 July to 16 July 2023. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).
