One in Five Pakistani households have installed solar panels in their homes: Gallup & Gilani Pakistan

(Islamabad), August 28th, 2023

According to a survey conducted by Gallup & Gilani Pakistan, one in Five Pakistani households have installed solar panels in their homes.

A nationally representative sample of adult men and women from across the country, was asked the question “*Have you installed solar panels in your home, even if they are small?*” In response, 20% said yes, 79% said no, and 1% said they do not know or gave no response.

2018-19 PSLM survey reported 15% Pakistani households having solar panel. In 2018-19 some parts of the country such as KP reported as high as 40% penetration of solar panels.

Question: “Have you installed solar panels in your home, even if they are small?”
