Opinion Poll **Religion** Eid al-Adha

Only 5% Pakistanis admit to overeating on Eid al-Adha: Gallup & Gilani Pakistan

(Islamabad), August 09th, 2023

According to a survey conducted by Gallup & Gilani Pakistan, only 5% Pakistanis admit to overeating on Eid al-Adha.

A nationally representative sample of adult men and women from across the country, was asked the question “Some people eat the Qurbani meat cautiously with moderation during Eid al-Adha, whereas others indulge in overeating. Kindly tell us whether you eat the Qurbani meat with moderation or tend to overeat?” In response, 90% said they eat with moderation, 5% said they overeat, and 4% said that they don’t know or gave no response.

This press release is part of a detailed report Gallup Pakistan is doing on Eid al-Adha sacrifice and spending in year 2023. The report would be accessible on Gallup website www.gallup.com.pk.

Question: “Some people eat the Qurbani meat cautiously with moderation during Eid al-Adha, whereas others indulge in overeating. Kindly tell us whether you eat the Qurbani meat with moderation or tend to overeat?”

The study in Pakistan was conducted and released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 929 men and women in urban and rural areas of all four provinces of the country, conducted during 07 July to 16 July 2023. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).
