14% Pakistanis claim they have a household member who is employed outside of Pakistan: Gallup & Gilani Pakistan

(Islamabad), September 12th, 2023

According to a survey conducted by Gallup & Gilani Pakistan, 14% Pakistanis claim they have a household member who is employed outside of Pakistan.

A nationally representative sample of adult men and women from across the country, was asked the question “Please let me know if any member of your household (including mother, father, son, daughter) is employed outside Pakistan or is employed in a different district within Pakistan?” In response, 14% said ‘employed outside of Pakistan’, 35% said ‘employed in a different district within Pakistan’, and 51% said no one.

Question: “Please let me know if any member of your household (including mother, father, son, daughter) is employed outside Pakistan or is employed in a different district within Pakistan?”

The study in Pakistan was conducted and released by Gilani Research Foundation and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 853 men and women in urban and rural areas of all four provinces of the country, conducted during 24 August to 28 August 2023. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).

STAT OF THE DAY

High, Medium and Low skilled workers leaving Pakistan in terms of total share of people based on Bureau of Emigration data.
