69% of respondents reported that there were no Afghan refugees residing in their area: Gallup & Gilani Pakistan

(Islamabad), 27th November, 2023

According to a survey conducted by Gallup & Gilani Pakistan, 69% of respondents reported that there were no Afghan refugees residing in their area.

A nationally representative sample of adult men and women from across the country was asked the question, "Please tell me, are there any Afghan refugees residing in your area (present area of residence)?" 29% said 'yes', 69% said 'no', and 2% said that they did not know or gave no response.

Question: "Please tell me, are there any Afghan refugees residing in your area (present area of residence)?"

The study in Pakistan was carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 752 men and women in urban and rural areas of all four provinces of the country, conducted during 1st November to 4th November 2023. The error margin is estimated to be approximately $\pm 3-5$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).

STAT OF THE DAY

11% of those who are earning 200,000 or more, never attended school
