Nearly 3 in 10 (29%) of Pakistanis expect good household financial conditions in the next 6 months, while 40% expect worsened conditions: Gallup & Gilani Pakistan and Dun & Bradstreet Pakistan

(Islamabad) 6th November 2023

According to a survey conducted by Gallup & Gilani Pakistan and Dun & Bradstreet Pakistan, nearly 3 in 10 (29%) of Pakistanis expect good household financial conditions in the next 6 months, while 40% expect worsened conditions.

A nationally representative sample of adult men and women from across the country was asked the question, “What do you expect your household’s financial situation to be in the next 6 months?” In response, 7% said ‘much better’, 22% said ‘better’, 21% said ‘same as before’, 25% said ‘worse’, 15% said ‘much worse’, and 10% said that they did not know or gave no response.

Question: What do you expect your household’s financial situation to be in the next 6 months?

The study in Pakistan was conducted and released by Dun & Bradstreet Pakistan and carried out by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1,179 men and women in urban and rural areas of all four provinces of the country, conducted during July 2023. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).
