Over thrice as many Pakistanis are of the opinion that work in Pakistan is done for the personal gain of a few (68%) than for the benefit of all people (21%): Gallup & Gilani Pakistan

(Islamabad) 27th February, 2024

According to a survey conducted by Gallup & Gilani Pakistan, over thrice as many Pakistanis are of the opinion that work in Pakistan is done for the personal gain of a few (68%) than for the benefit of all people (21%).

A nationally representative sample of adult men and women from across the country was asked the question, “*In your opinion, is work done for the benefit of a few people or for the welfare of all people in Pakistan?*” In response, 68% said ‘For the personal gain of a few’, 21% said ‘For the benefit of all people’, and 11% said that they did not know or gave no response.

Question: In your opinion, is work done for the benefit of a few people or for the welfare of all people in Pakistan?

Age breakdown

The study in Pakistan was conducted and released by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1,023 men and women in urban and rural areas of all four provinces of the country, conducted from 03rd – 18th January, 2024. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).
