Turnout in General Election 2024

Turnout 2024- PRELIMINARY NUMBERS- 48% voter turnout in Pakistan's 12th General Election

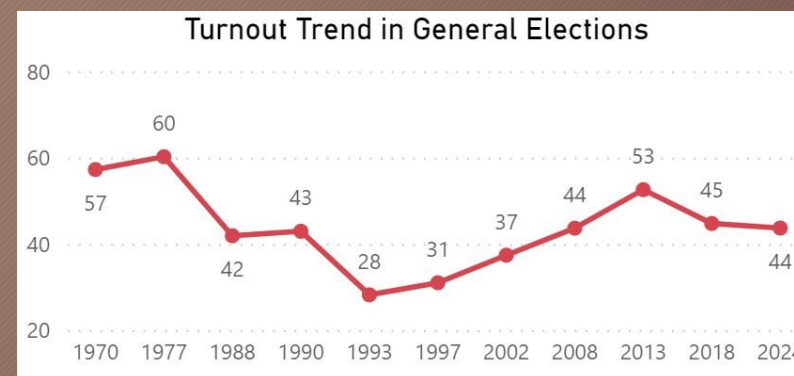

Turnout by Province- All provinces saw decline in voter turnout except for Balochistan

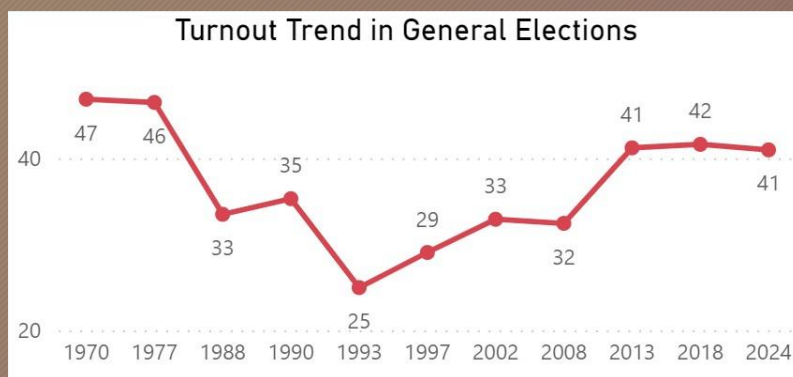

PUNJAB

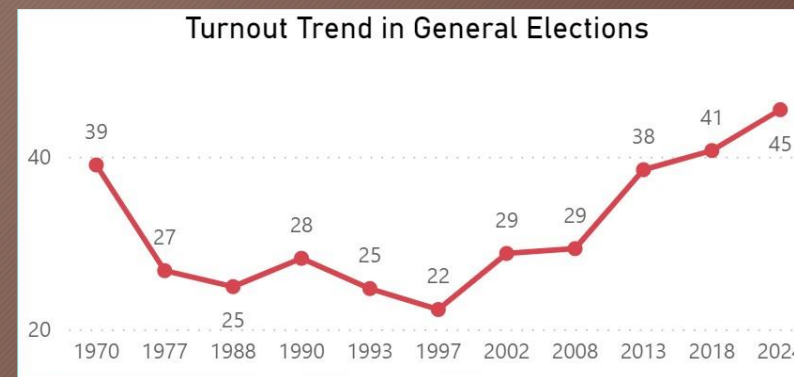

SINDH

KP

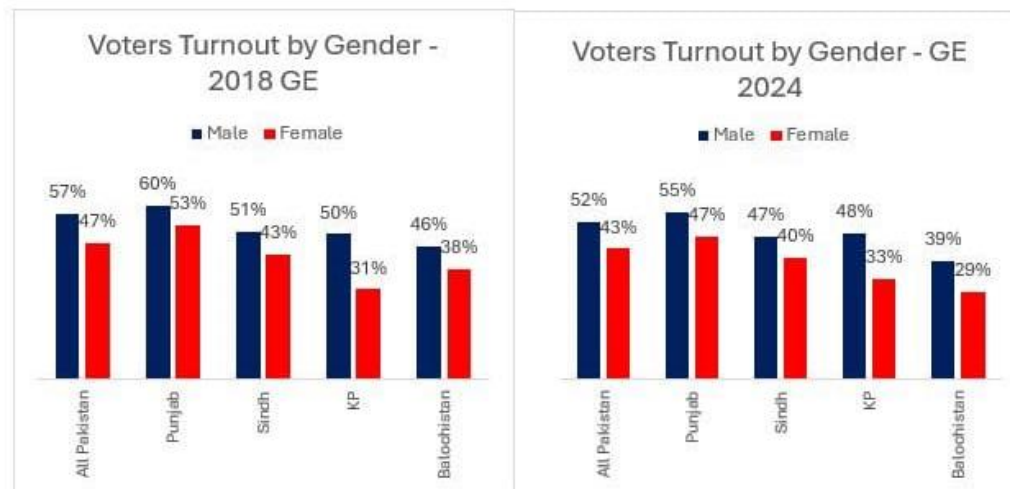

BALUCHISTAN

TURNOUT WOMEN AND PROVINCE- PRELIMINARY NUMBERS - Gap between Male and Female turnout reduces by 1% (despite turnout falling for both)

Voters turnout in Pakistan General Election – Female voters turnout 9% lower than male turnout in GE 2024; the gap was 10% in GE 2018. Female turnout lowest in Balochistan (29%). Gender gap highest in KP (15%); however the gap has narrowed by 4% compared with 2018 GE gender gap in KP (19%). Gender gap in Balochistan has increased by 2% compare to GE 2018.

Rejected Votes Phenomenon in GE 2024- Source of Concern or consistent with trend?

REJECTED VOTES - 2.8% of votes were rejected in GE 2024

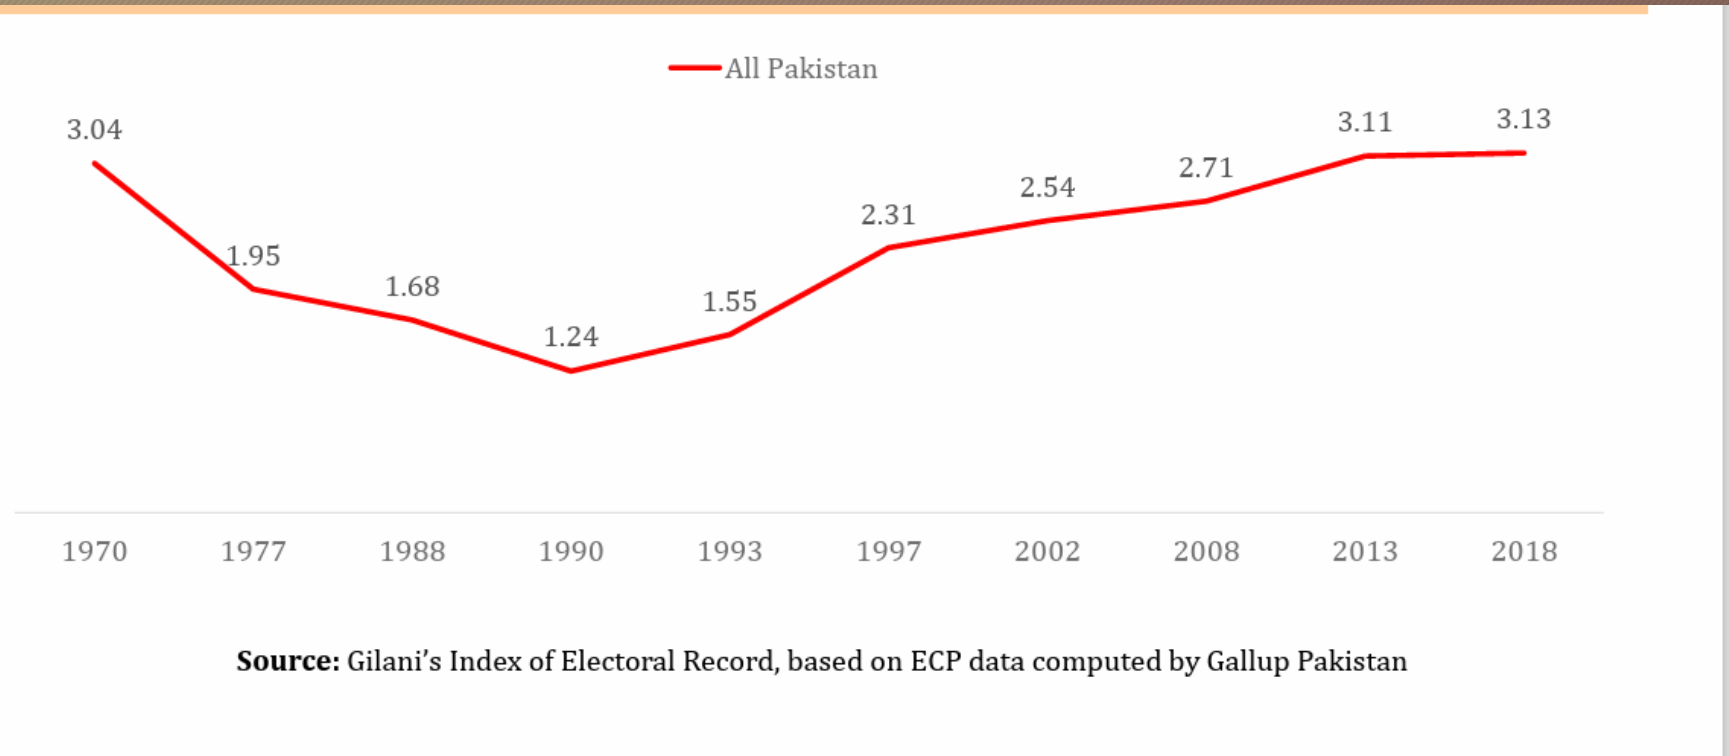

Rejected votes were high in Sindh and Balochistan- Major outliers in Punjab

REJECTED
VOTES
ACROSS
PROVINCES

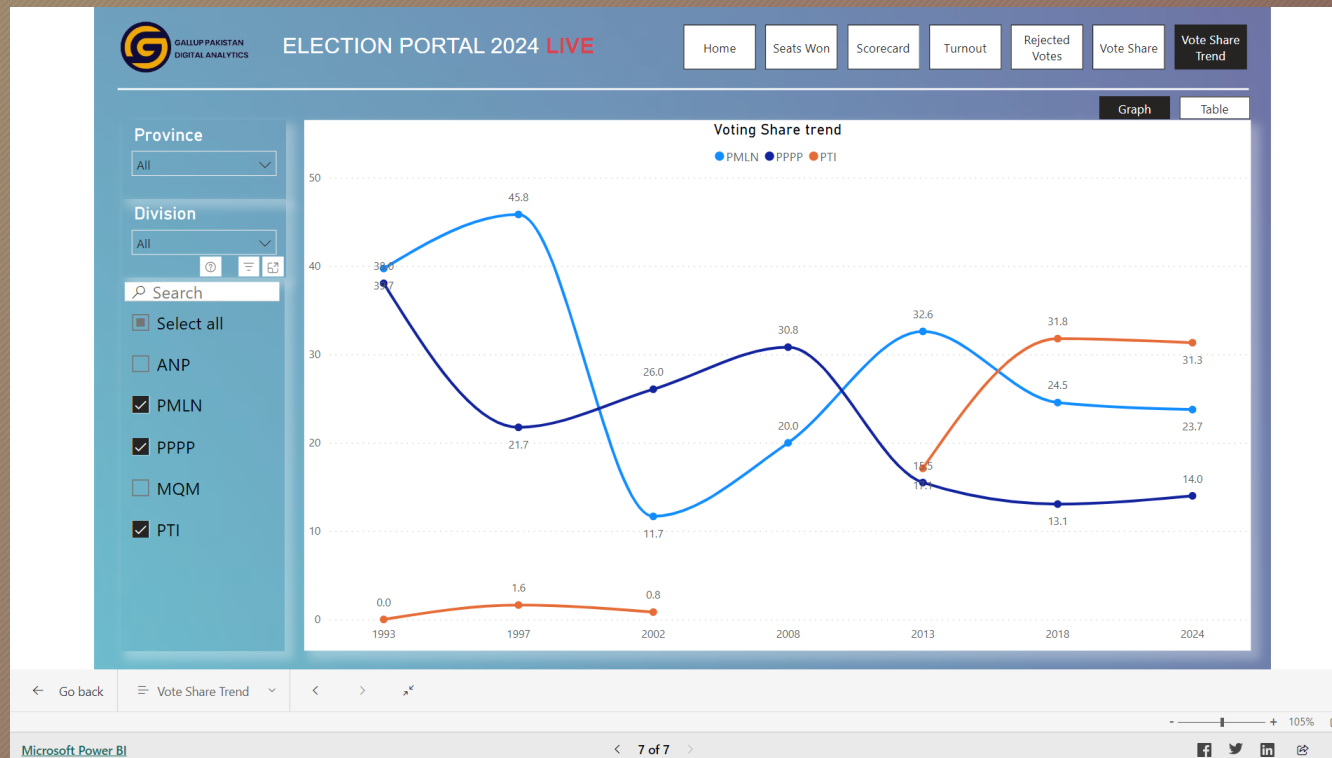

REJECTED VOTES LOWER THAN PREVIOUS YEARS - Figure for 2024 is 2.8%

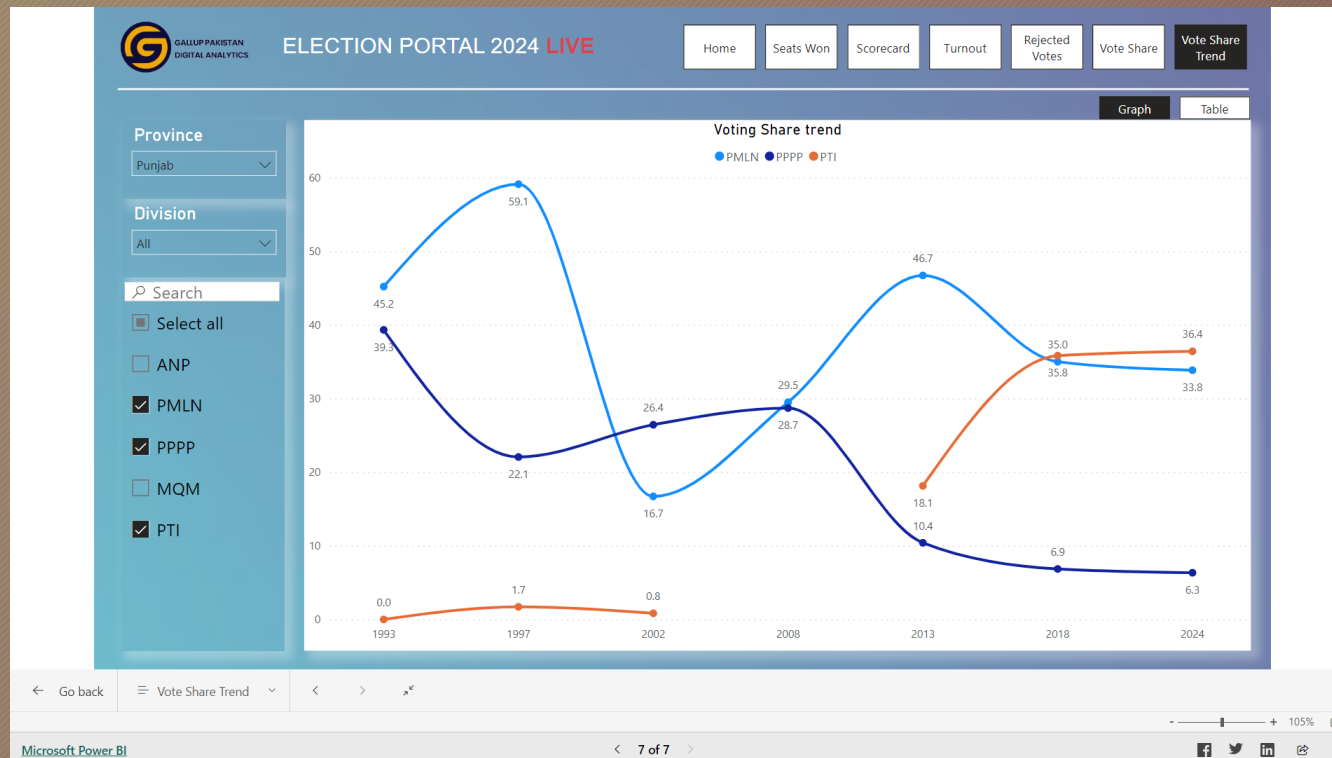

Turnout in General Election 2024

NATIONAL VOTE SHARE - REPEAT OF 2018 GENERAL ELECTION - PTI GOT 31% PMLN 24% PPP 14%

Punjab Vote Share - Top 3 parties almost retain their share in Punjab

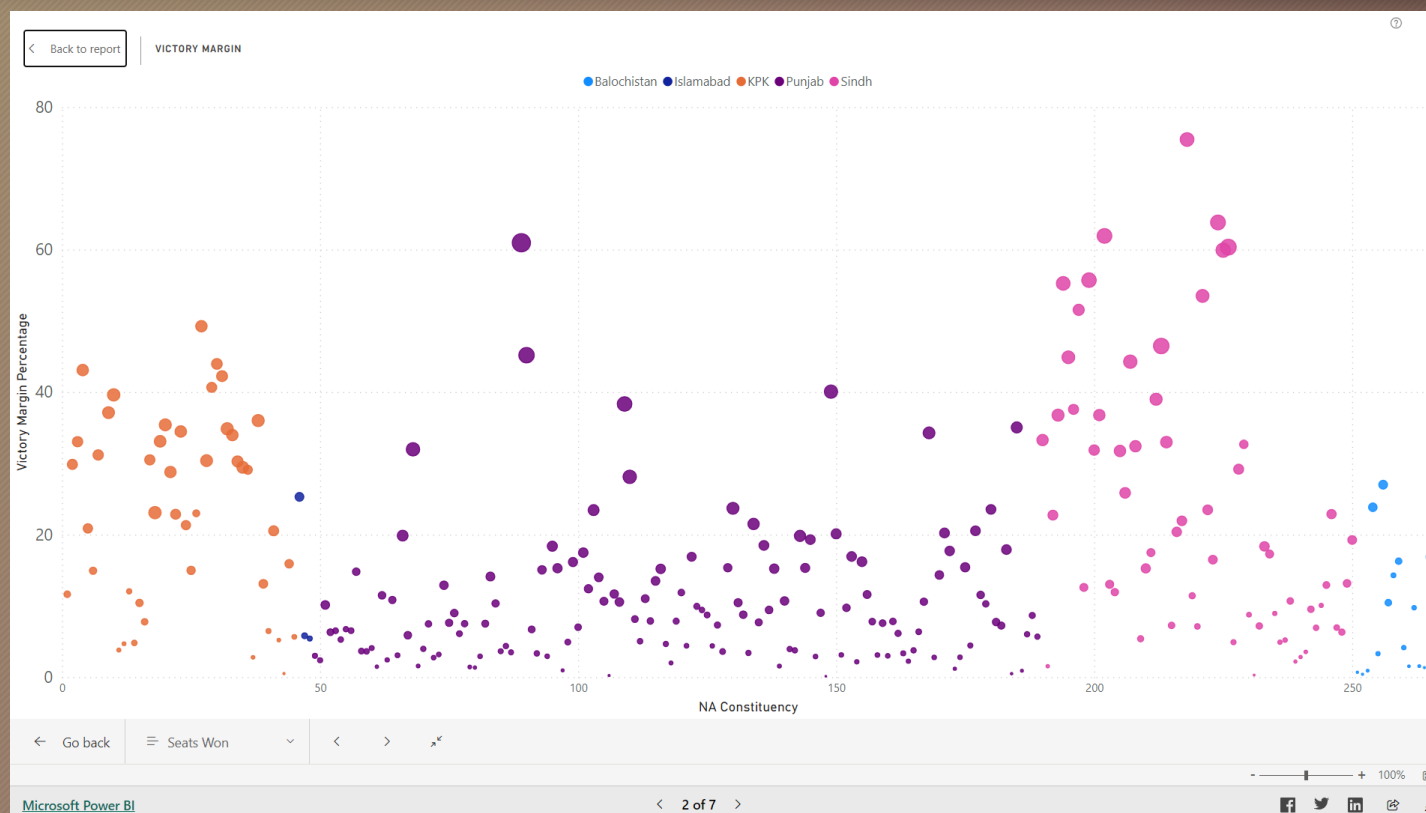

Vote Share and Seat Share differences continued to show up in GE 2024. Need to revisit First Past the Post and possible introduction of Proportional Representation should be considered. In KP PTI was beneficiary of First Past the Post , in Karachi and in Punjab it was a major loser. Similar situation for PPP and smaller parties like TLP who got no seat despite 5% vote bank

SEATS + VOTES
RATIOS
in 2024
NATIONAL
Assembly Seats
from these
provinces

Province	Competition	% share in vote	% share in seats
Punjab	PMLN	33%	47%
	PTI Independants	35%	38%
	PPP	6%	
Sindh Other than its Karachi Division	PPP	59%	94%
	PTI Independants	4%	0
	Others	30%	6%
Sindh Karachi Division	PTI Independants	19%	0%
	MQM	28%	77%
	PPP	14%	23%
	JI	12%	0
	PMLN	3%	0
Balochistan	JUIF	14%	16%
	PPP	10%	16%
	PMLN N	13%	25%

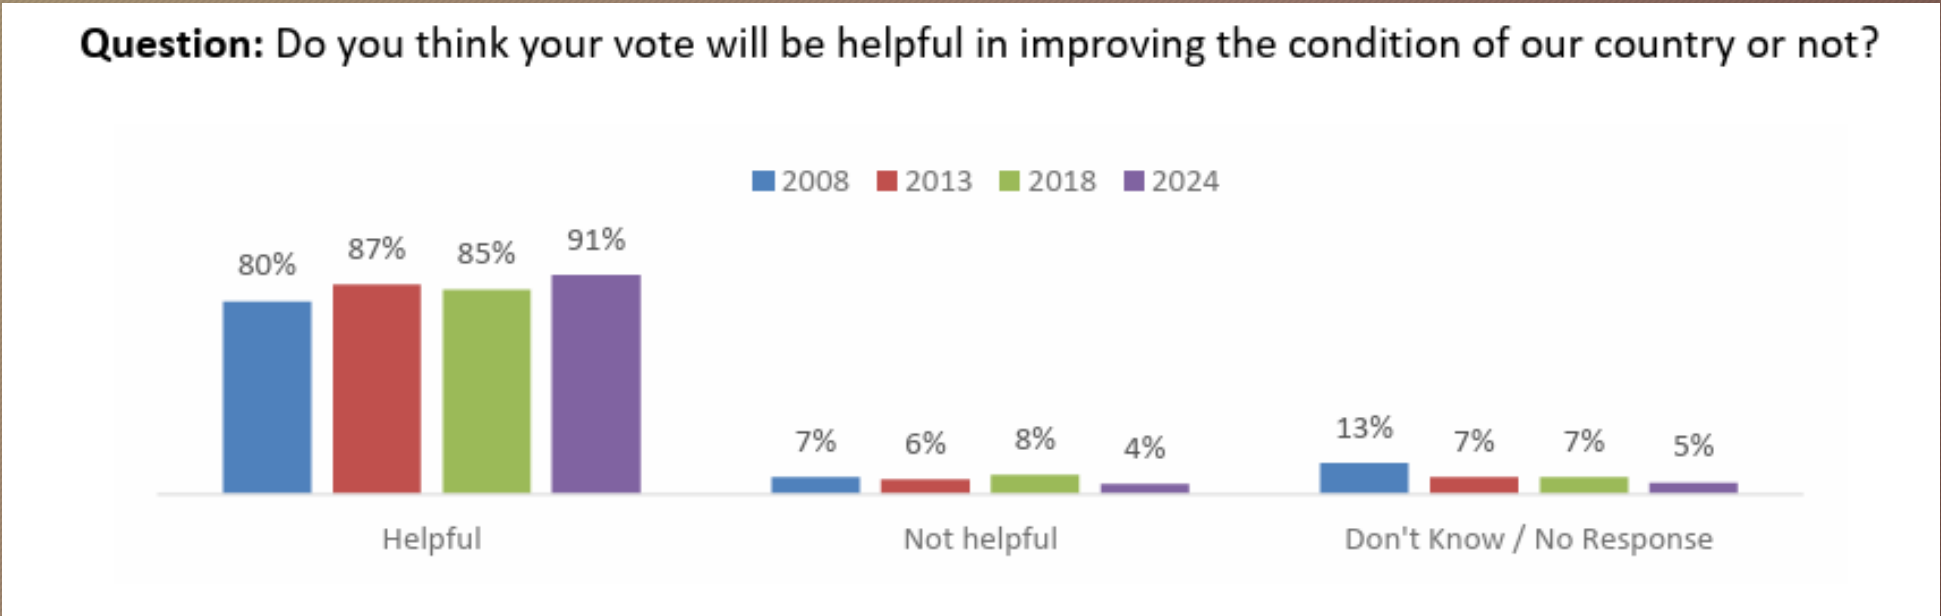

Were Elections Competitive? - In Punjab victory margin (% difference between winner and runner up was low for most constituencies. In Sindh and KP victory margins were high for most seats)

ELECTION 2024: FAIRNESS OF ELECTION WRT TO ELECTION DAY/ POLLING STAFF

Generally voter was upbeat about the election - highest number in past 3 elections who thought election would help improve the condition of the country when asked on Election Day by Gallup

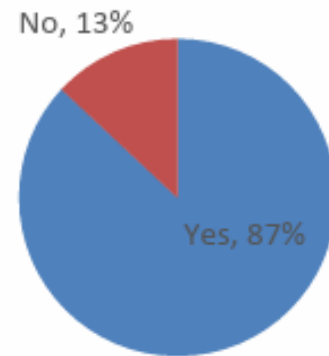

Source : Gallup Pakistan Election Day Surveys (2008 ,2013,2018 and 2024)

Overall Fairness of Election- Opinion of Voters on the Election Day and 1 day after the election

FREE AND FAIR ELECTIONS: A significant majority (87%) of voters trust the electoral process of the GE 2024 to be free and fair

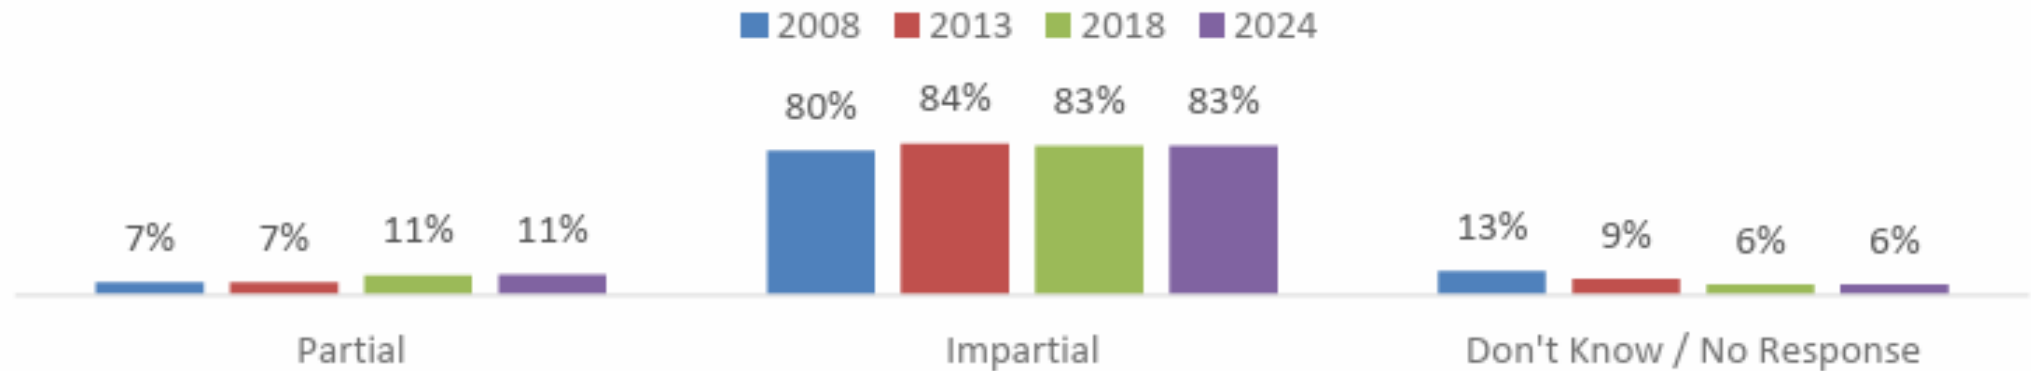

Question: Overall, do you think that today's election will be free and fair?

Source : Gallup Pakistan Election Day Surveys (2008 ,2013,2018 and 2024)

Impartiality of the Election Staff was same as previous 3 elections

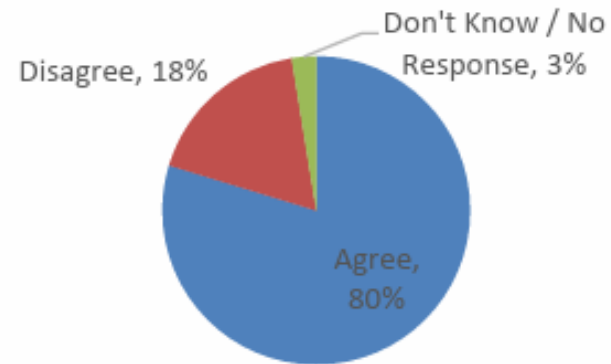

Question: Do you think that the polling staff at the polling station is impartial in your constituency or partial towards a particular candidate?

Source : Gallup Pakistan Election Day Surveys (2008 ,2013,2018 and 2024)

Voters on the voting day wanted Election to lead to stability and consensus

Question: Some people think that all political parties should set aside their differences after the elections and should work together. Do you agree or disagree with this opinion?

Source : Gallup Pakistan Election Day Surveys (2008 ,2013,2018 and 2024)

DID THE PRE-ELECTION POLLS WORK?

Did they Predict
adequately?

Yes Quite Accurately

PRE POLL SURVEYS WERE ABLE TO PREDICT VOTE SHARE OF MAJOR PARTIES ACCURATELY !

		Pre-Election GP poll published by Geo-Jang on <u>Jan 9 2024</u> (one month before election 2024)	ECP Result share in votes	Percent share in total NA seats
Punjab including ICT				54%
	PTI Independent	34%	35%	
	PML-N	32%	33%	
	PPP	6%	6%	
KP				17%
	PTI Independent	45%	44%	
	JUI-F	15%	15%	
	PML-N	9%	9%	
	PPP	7%	6%	
	ANP	7%	7%	
Sindh	PPP	44%	44%	23%
Balochistan	Pre-Election Poll Sample statistically 1 not qualified			6%
