92% Pakistanis in Karachi report not having listened to the radio the day before: Gallup & Gilani Pakistan

(Islamabad) 4th March, 2024

According to a survey conducted by Gallup & Gilani Pakistan, over 9 in 10 respondents of a representative survey of residents of Karachi say they did not listen to the radio the day before.

A representative sample of adult men and women from across the six districts of Karachi city was asked the question, “Please tell me if you listened to the radio yesterday?” 8% of the respondents said “Yes”, and 92% said “No”.

Question: Please tell me if you listened to the radio yesterday?

The study was conducted and released by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The survey was carried out among a sample of 807 adult men and women in urban and rural areas of all six districts of Karachi division, conducted on 10th Jan – 2nd Feb, 2024. The error margin is estimated to be approximately $\pm 3-5$ percent at the 95% confidence level.

Demographic breakdowns:

Gender: The male population of Karachi was more likely to listen to the radio compared to females by a proportion of 5%.

Age: People in Karachi aged 25-30 years were most likely to listening to the Radio (11%)

Education: Across education there appears to be no difference in the proportion of people from Karachi that listen to the radio.
