**4 out of 5 Pakistanis didn't take a photograph or selfie yesterday; women (88%) and rural residents (82%) were significantly less involved:
Gallup & Gilani Pakistan**

(Islamabad) 26th December, 2024

According to a survey conducted by Gallup & Gilani Pakistan, 4 out of 5 Pakistanis didn't take a photograph or selfie yesterday; women (88%) and rural residents (82%) were significantly less involved.

A nationally representative sample of adult men and women from across the country was asked the question, "Please tell if you engaged in any of the following yesterday. Even if it was for a short time? - Took a photograph/selfie" In response, 21% said 'Yes', 79% said 'No'.

Question: Please tell if you engaged in any of the following yesterday. Even if it was for a short time? - Took a photograph/selfie

The study in Pakistan was conducted and released by Gallup & Gilani Pakistan, the Pakistani affiliate of Gallup International. The recent survey was carried out among a sample of 1024 men and women in urban and rural areas of all four provinces of the country, conducted from 23rd October – 17th November 2024. The error margin is estimated to be approximately $\pm 2-3$ percent at the 95% confidence level. The methodology used for data collection was telephonic surveys (CATI).

Across gender: Women (88%) were much less likely to take pictures yesterday, with 17% more women not taking pictures compared to men (71%).
