Stock Market

Nearly 3 in 4 Pakistanis (72%) aware of the stock market Say They Do Not Personally Know Anyone Who Invests or Trades in the Stock Market. (Gallup & Gilani Survey)

(Islamabad), 4th December 2025

According to a survey conducted by Gallup & Gilani Pakistan, 72% of Pakistanis aware of the stock market report that they do not personally know anyone who invests or trades in the stock market, while 28% say they do know someone involved in stock market activity.

A nationally representative sample of Pakistanis aware of the stock market was asked the following question: **“Do you personally know anyone who invests or trades in the stock market?”** In response, 28% said ‘Yes’ and 72% said ‘No.’

The findings highlight that stock market participation remains socially distant for most Pakistanis, reflecting low exposure to investment networks.

Question: Do you personally know anyone who invests or trades in the stock market?
